

SAINT ANTHONY CATHOLIC CHURCH

EL SEGUNDO, CALIFORNIA

TWENTY SIXTH SUNDAY IN ORDINARY TIME SEPTEMBER 25, 2016

Reflection

A major theme in the Gospel of Luke is the importance of the care of the poor in the life of discipleship. In the parable found in today's Gospel, Jesus contrasts the life of a rich man and the poor man, Lazarus, who lives in the shadow of the rich man and his wealth. Both die. Lazarus finds himself in heaven; the rich man in the netherworld. The rich man asks for assistance from Lazarus in his torment. But Abraham reminds the rich man of the good things he had in his life and describes the current situation as a reversal of fortunes. The rich man then asks that Lazarus be sent to warn his family, but this is denied with the reminder that Moses and the prophets have warned of judgment for those who neglect the care of the poor.

In the context of Luke's Gospel, this parable, delivered in the presence of a crowd of listeners, is part of Jesus' response to some Pharisees. These Pharisees are described in Luke's Gospel as "loving money." (Note: The Pharisees were followers of a sect of Judaism active before, during, and after Jesus' lifetime. They taught an oral interpretation of the Law of Moses as the basis for popular Jewish piety. They put less emphasis on Temple worship and more on applying the law to everyday life. Though they are often portrayed negatively in the Gospels, they shared many of Jesus' and the early Church's concerns about the law.) Jesus observed that the actions of some Pharisees betrayed misplaced priorities: they spoke one way, but acted in another. The story of the rich man and Lazarus demonstrates the importance of the care of the poor and is a reminder to those who would follow Jesus of the unimportance of wealth in the eyes of God.

As the rich man learns in the parable of Lazarus, the distance between ourselves and God in the next life may be the distance we put between ourselves and the poor in this life.

But we also need to hear these readings in context of the Gospel message in recent months. Recall that among the stories we've heard is that of the teacher

who wanted to know, "Who is my neighbor?" and of the rich fool who tried to store up earthly treasures.

We may not be "rich men" or exploiters of the poor, but each of us should take to heart the persistent message of the Liturgy, that what we have and desire to have can separate us from God and our neighbor; that our possessions can come to possess us; that true riches are to be found in sharing what we have with the poor; and that this will gain us what we truly desire, the inheritance of treasure in heaven.

Mission Statement:

We the St. Anthony community, blessed with diversity in culture and traditions, unite ourselves to the Real Presence of Jesus in the Holy Eucharist. We commit ourselves to live out the Gospel of our Lord Jesus Christ through prayer, service, and actions.

NEWS FROM THE RELIGIOUS EDUCATION OFFICE AND TEEN CONFIRMATION

Our Religious Education classes started off great. Thanks to our catechists, aides, parents and all of our students. Did you know we offer a Pre-Kindergarten/Kindergarten class? If you have or know of someone with a 3 - 5 year old in Pre-K or K, contact the parish office, we still have room in our Pre-K/K class.

The other day, a parent was registering her young child and mentioned that she also had a child in Fifth Grade, but they no longer needed Religious Education because the child already had First Holy Communion. WHAT?? Children are to receive Religious Education every year until they are Confirmed. Many of our Year I Confirmation Candidates need to take an assessment and possibly have to do some extra reading because they only have a Second Grade Education. Don't neglect your child's Religious Education. We still have a few openings in all grades except Second Grade which is full. Contact the Parish Office to Register.

Today at our 10:00am Mass, we have a Youth Mass and members of our Confirmation Program will be leading us in prayer. We will also have Hospitality after the 10:00am Mass in the Carport sponsored by the Confirmation Classes.

Due to the Parish Fiesta on Sunday, October 9th, our Confirmation sessions get a little mixed up. Angel Groups will meet on Sunday, October 2nd as regularly scheduled and Friar Groups will meet on Sunday, October 16th as regularly scheduled. Candidates in the Saints Groups, which normally would meet on the Second Sunday, have a choice in attending either the Angel or Friar Groups for this month.

If anyone wishes to write a check, please make it out to Southern California Right to Life League and in the lower corner of check write "Project Rachel". **Together we will make a difference!**

Project Rachel

This ministry is a means of receiving the healing grace of God. It helps the individual to move from brokenness toward reconciliation - with self, with the unborn child, the family, the Church, and with God. It is a program in the Archdiocese with trained counselors who really care and understand women who have had an abortion. For more information call (626) 398-6100.

Spiritual Adoption

Parishioners will be invited to spiritually adopt an unborn child that is in danger of abortion. This adoption will involve praying daily for the child and his/her parents during the next nine months.

*Jesus, Mary and Joseph, we love you very much.
We beg you to spare the lives of the unborn babies
whom we have spiritually adopted
who are in danger of abortion.*

During the earthly life this spiritually adopted child of yours will be known only to God but in the world to come and throughout eternity both you and the child will find happiness in each other's company.

National Life Chain Sunday

In recognition of National Life Chain Sunday, Respect Life members will be in front of Planned Parenthood in Lawndale, Hawthorne Blvd. at 147th Street, from 2:30 pm to 4:00 pm. on Sunday, October 2, 2016. There will be a few signs for you to carry or you can bring your own "Abortion Kills Children" sign. Bring your friends and stand with us.

If we accept that a mother can kill even her own child, how can we tell other people to not kill each other? Any country that accepts abortion is not teaching its people to love, but to use any violence to get what they want.

Mensaje para Reflexionar

Nuestra vida terrenal está llena de divisiones de todo tipo. Los seres humanos hemos dividido el planeta que Dios nos ha dado. Hemos creado fronteras, levantado muros, colocado banderas... todo ello para ser y sentirnos diferentes. Esta división es la que crea conflictos entre nosotros y en nuestra relación diaria con el mundo. Dios nos ha dado un solo mundo para una única humanidad; nosotros en nombre de la diversidad, de la justicia o de lo que sea, nos hemos encargado una y otra vez de marcar las diferencias. Los primeros cristianos y los Santos Padres encararon este tema y nos dejaron vidas ejemplares y páginas magníficas sobre el derecho de los pobres y la justicia que emana del Evangelio.

En las relaciones humanas hemos hecho lo mismo. Nos hemos inventado las castas y los escalafones sociales para dejar bien claro que no somos iguales; que "yo valgo más que tú..." ¿Qué nos dice Jesús sobre estas artificiales diferencias?

El Evangelio nos trae una parábola donde se destaca una de estas diferencias sociales. Nos habla de un pobre y de un rico, ambos en esta vida y en la otra. Los judíos pensaban que la prosperidad material era una señal más que evidente de la bendición de Dios. Los pobres eran unos malditos. No tenían nada, ni siquiera - según ellos - ni la bendición de Dios.

El mensaje de Jesús se predica especialmente a los pobres y en ellos tiene su profunda resonancia. No es que se descarte a los ricos del camino de la salvación ya que Jesús no les censura su riqueza sino la falta de compasión hacia los pobres. La falta de compasión sea en un rico o en un pobre es muestra de un rechazo hacia el amor de Dios. La compasión es uno de los certeros caminos para llegar a la salvación.

Lázaro aparece como un hombre mísero en todos los aspectos de su vida: no tenía salud, ni comida, ni casa, ni amigos, ni abrigo alguno. Sólo tenía la esperanza de que algo sobrante saciara su indigencia.

En nuestras sociedades hay muchas personas que viven esta misma realidad. La pobreza se ha cebado con ellos. El drama de la pobreza no es solamente las necesidades de todo tipo sino que en el pobre incluso se llega al extremo de la indigencia, cuando se da cuenta de que por sí mismo no sabe salir de su pobreza. No hay mayor pobreza que no saber salir de ella.

Jesús no condena la riqueza sino el uso que se hace de ella; condena el egoísmo que nos impide llegar a caminos de solidaridad. Zaqueo el rico se salva en su encuentro con Jesús y devuelve a los pobres con creces lo que de ellos tomó. Quien está muy apegado a las riquezas, no puede percibir el camino del Reino de Dios.

Los pobres, los que son capaces de desprenderse de sus distintas riquezas y ponerlas al servicio de los demás, son los que están más disponibles a aceptar, vivir la fe, vivir el Evangelio y participar del reino de Dios.
